⌨ Bug Report: See All Bots button

in list Testing

☰ Description   Edit

Does not load all bots when button is clicked.

Steps to reproduce:
1. Navigate to http://localhost:3000/
2. Click the See All Bots button

Expected Results:
- See all bots

Actual Result:
- No visible changes on the page
- 400 server error in console.

Enviromnet:
- Chrome v96
- Windows 10
